MEMORANDUM FOR DEPUTY DIRECTOR OF SCIENCE & TECHNOLOGY, CIA

SUBJECT: Advanced Aircraft Funding

Your memorandum of 12 November 1964, subject as above, has been noted with interest. My directive of 14 August relative to funding is still in force. However, as my letter of 31 July stated, if a specific and clear requirement is identified, we can consider authorizing FY 65 funds for studies relating to advanced aircraft.

Your memorandum suggests that you may now have a requirement in mind. I would be glad to hear the details.
